Hi Terry,

I have been in meetings all day and am swamped the rest of today. I am, however, wide open all day tomorrow up until 3:30 pm. Please feel free to give me a call any time at your convenience. I am looking forward to getting the backstory on this site and am glad to offer my support on this any way I can.

Thanks -
Scott

We are already following this process, but please find attached below the document that memorializes it now also including our ORD technical support point of contact. We'll consider this to be a living document that can be adjusted at any time and when necessary.
